

STAR Registration Program

- All homeowners receiving a Basic STAR property tax exemption must register with the NYS Tax Department (DTF) in order to continue to receive the exemption
 - This registration requirement is **not** satisfied by the original application to the local assessor
 - **Senior citizens** receiving the Enhanced STAR exemption are not affected by the registration requirement
- Property owners that are denied an exemption will receive notice to appeal directly to DTF. If they are not satisfied with the DTF decision, they can appeal to State Board of RPT
